Seven years ago, owner Bethany Stein helped a few elderly ladies with simple residential cleaning tasks. Graduating high school at 15 Bethany soon decided to take her joy of cleaning and serving others a step farther and Once Upon a Dream House Cleaning Services was born. God has blessed her past 7 years of business with reliable, hardworking, trustworthy girls working with Bethany to provide their utmost for each and every client. Bethany's business motto is "whatever you do, do it all for the glory of God" (1 Cor. 10:31.) All workers under Once Upon A Dream House are fully bonded and insured, and we strive to treat each business and home as our own and as unto the Lord.
